

As a past supporter of Blue Sky Opportunities, we want to update you on how things are going in our organization.

We are excited that 2022 has allowed us to return to some normalcy. We have had many positives this year. We partnered with West Park School to have our annual Clean-A-thon, which was a record-breaking year for donations. Unfortunately, we had to cancel the fall fundraiser event for the third year. We decided to eliminate it again this year to provide a safe environment for all the people we support, our staff, and our community. We hope to see you in 2023!

We are pleased to report that as of Monday, May 2nd, our Day Program has reopened to full capacity! Everyone is overjoyed to be back! We are struggling with our ability to attract and retain staff. This appears to be a global concern for many businesses. Our wood shop had an extremely busy year, experiencing record sales in crates and pallets!

Some of the completed in 2022 Projects are as follows:

- Replace the flooring in our 6th St. residences
- New kitchen cupboards at the 5th Ave. residence
- Woodshop received LED lighting
- Renovation to our handicap-accessible washroom at the day program

These are just a few examples of ongoing expenses and projects. Covid has again sidelined our ability to fundraise in our usual manor. Your consideration of a donation will be greatly appreciated. Funds raised will be designated for purchasing a new handicap-accessible van for the agency. The budgeted costs for this needed new vehicle are \$50,000.

Donation cheques may be mailed using the enclosed envelope, by credit card, at: blueskyop.com, and by clicking on donate tab. All donations will be issued a tax receipt.

We are thankful for your continued support and wish you good health and success in all you do.

Sincerely,

Ryan Potter
Executive Director
Blue Sky Opportunities Inc.
